

TRIUMPH OF MAGNETISM

IT CAUSES THREE TUMORS TO
DISAPPEAR AS IF BY MAGIC

The Largest and Most Unmistakable
Cure in Marion Entirely At-
tributed by the Boy
Phenomenon.

Who Also Cured the Same Lady of
Aggravated Case of Stomach
Trouble, and Nervous
Dyspepsia.

If further evidence of the astonish-
ing success of the Boy Phenomenon
in curing those who have tried all
other methods without relief, was
wanting, it has certainly been fur-
nished in abundance the past two
weeks for hardly a single day has
passed but some especially remark-
able cure of chronic diseases which
had resisted all other forms of treat-
ment have been made. While every
patient cured, considers their case a
miracle, there are some that are
truly deserving the name "marvel-
ous."

On or two in particular, of his
recent cures that have evoked so
much surprise and bewilderment and
prize conclusively that magnetism
triumphed after all other remedies
and methods had failed, was that of
Mrs. William Gregory who had three
large, separate and distinct tumors
on the neck, which had not only dis-
figured an otherwise handsome wo-
man for years, but had begun press-
ing on the windpipe, so that it was
with the greatest difficulty she could
eat, and caused intense pain every
time she swallowed.

It was only a matter of weeks or
at best, months, when the great
weight and rapid inward growth
would strangle her to death, and
while every other treatment had failed
to benefit her, and she was al-
most discouraged, and had lost faith
in everything, still, her condition was
so serious that something had to be
done, and that quickly. So without
any faith, but hoping against hope,
on May 30 she was brought to the
office of the Boy Phenomenon at the
Majestic hotel and began treatment.
Yesterday she was discharged, a
happy woman, with not a vestige of
that unsightly goitre left. Only a
small, loose fold of skin to show
what had two weeks before been a
13-1 pound tumor.

Another case of an unsightly and
giant goitre, which will soon be
entirely absorbed is that of Miss
Annie Watkins, who in one week
more will have as happy a story to
tell as Mrs. Gregory as it is fast dis-
appearing.

Mrs. Mayberry also had been af-
flicted with a goitre below the chin
for seven years and her friends were
recently surprised to see her on the
streets wearing a collar, which she
was unable to do before she began
treatment. Her goitre was of im-
mense size, but it has been reduced
nearly four inches since she began
treatment. She has gained eight
pounds in weight and says she feels
like a new woman, and can't say
enough in her praise of the Boy
Phenomenon.

He not only cures such cases as
the above, but nearly all chronic
diseases yield to his magnetic power
especially such as Catarrh, Bronchitis,
Varicella, Neuritis, Nervous Debility,
Diabetes, Impotency, Epilepsy,
Tumors, Dropsy, Nervous Prostration,
Diseases of a Delicate Nature, Deaf-
ness, Heart Diseases, Bladder Disor-
ders, Noises in Ear, Rheumatism,
Constipation, Sterility, Diseases of
Women, Cancer, Paralysis, Asthma,
Liver Complaint, Scrofula, Kidney
Troubles, Dyspepsia, and all Stomach
Disorders, Piles, Astigmatism and
nearly all Eye Troubles and many
other Chronic Diseases.

His office hours at the Majestic
Hotel are from 10 a. m. to 5 p. m.,
daily except the Sabbath and 7 to 8
evenings.

Smallest Bible Published.
Among uncommon religious books
must be classed an edition of the Bible
issued by the Oxford University Press.
It is only 1 1/4 inches in length and 1 1/4
in breadth. It has to be read by
means of a magnifying glass—and one
is given with this tiny Bible for 50
cents.—Sunday Magazine.
